• ABOUT ME

Hello there! My name is Abrham Habtamu, and I am a fourth-year Computer Science student at Unity University. I am also a passionate front-end web developer with technical expertise in modern web technologies, including HTML, CSS, JavaScript, React, Node.js, SASS, Tailwind CSS, and TypeScript. I take pride in being detail-oriented and an effective problem solver, always eager to create responsive, user-friendly web applications. With a strong foundation in computer science and hands-on experience in web development, I am committed to contributing innovative solutions and continuously expanding my skill set.
